

Continuous Quality Improvement Maryland's Transportation Industry

2019 MdQI CONFERENCE SCHEDULE

The Maryland Quality Initiative (MdQI) Conference will be held on January 30 & 31, 2019 at the Baltimore Convention Center. This year's conference offers breakout topics of interest to the Maryland Transportation Industry identified by the MdQI Steering Committee. Each breakout topic is presented by a panel comprised of public/private professionals considered experts in the topic area. The presentations on breakout topics are followed by team discussions and brainstorming. Conference attendees participate in the breakout topics of their choice.
